Sampson Update

1. Updated grant for village facade- Voting tonight. As soon as we get the ok Dean will order the doors

Old Business

1. Wizard of Oz-

Auditions will be at the middle school

Gary Pinneo made drawings that we can use/display

2. Website-

Quote from Reagan and Andy- \$1,360. We haven't been overly pleased still. Dusty got a quote from Doug Amey - Total estimate to redesign the website and add on (see proposal) is \$1,500-\$2000. It would take him 3-4 weeks to complete. He is local and more accessible. Following a discussion, Lyn motioned to go with Doug, Ray seconded. All in favor- passed

3. 40 for 40 Campaign-

Logo from Jennifer (see sheet)- The windmill would represent Oklahoma (The first PYTCo performance) and the Emerald city would represent this years performance. Comments= use the colored PYTCo logo and change the big 40 to ruby

Gary has a drawing and will send it to Jennifer. Board agrees that Gary's looks more like a logo and Jennifer's looks more like a poster. We will ask Jennifer if she can do something like Gary's.

Dusty will have Dave talk to her

Dave has not had any more luck with ornaments. Maybe we should do a mug or print glass

4. Madeline-

Becky is checking to see when we can get in for rehearsals. We can not get in with lights until December 8th. Shows will be Saturday and Sunday.

5. Broadway Summit-

Went well- It is a lot of work to plan- Becky is looking to make some changes to make it easier. Next year's is going to be "Frozen" in January. Not sure what workshops they will have for the kids. Maybe we should skip a year
