Hannah Gaston was present to accept her scholarship (\$200). Peg gave her the background of the scholarship.

Website- Due to Jason's health we need someone else to take over running our website. Possibly someone from the college??

For the concert on July 5th- We need people to: run auction, sell wrist bands, be in charge of sales and security. Beer and wine are set. 2 tents have been rented. John will take care of putting an ad in the paper.

Quilt- Will be shown at the concert in the park

All Shook Up- Rehearsals have started. Becky will contact the paper to place an ad.

Meeting adjourned.

I will not be able to make it to the meeting tonight, but I know that the state of the website has been a sticking point for a while so I wanted to send you an update.

- The site is up and live, but it's in rough shape. The home page looks good and includes upcoming events and a small mission statement, but the other pages have basically nothing except maybe headers and a picture.

-What I need is a clear-cut bullet point list of what The PENNSylvania YANkee Theatre is all about and what it's history and effect within the community has been.

- I need a history of the Sampson and our involvement with the project to renovate the old place. The promotional pamphlet's might work nicely.

-Plus I'd like any news clippings and pictures about the Sampson after the flood. Pictures especially!

-Following that pictures from past and recent shows are needed in order to really give visitors to our website visual snap shots of what we do and who we are and how much we love doing theatre in this community.

I'm sorry that I cannot be there in person tonight. Please relay this message to the board and discuss what you guys want to see on your website. It's a brand new day and we can do anything we want with it.
